Our father had several passions in life including his faith and his family. To honor our father and his legacy we felt it best to combine his passions of playing golf, service to education and the Great Commission by hosting this annual memorial golf tournament.

To honor his memory please join us for the Annual Memorial Golf Tournament in his name. Proceeds benefit the **Grain Valley Education Foundation**, which our father established during his first year at Grain Valley, providing scholarships to graduating seniors, teacher grants & contributions to schools and student activities. The second beneficiary will contribute to African discipleship efforts via the **Disciple Makers' Network**. Missions were conducted in dad's final years to live out the Great Commission as illustrated in Matthew 28: 16-20.

Thank you in advance for any consideration to sponsor, play or volunteer in this tournament.
