Our father had several passions in life including his faith and his family. To honor him and his legacy, we combine his passions of playing golf, service to education, and the Great Commission by hosting this annual memorial golf tournament.

Proceeds benefit the **Grain Valley Education Foundation**, which our father established during his first year at Grain Valley, providing scholarships to graduating seniors, teacher grants & contributions to schools and student activities. In 2023, the **Springdale Education Foundation** and the **Blue Valley Education Foundation** were added as beneficiaries to provide for the school districts educating our father's grandchildren.

The **Disciple Makers' Network** rounds out the list of beneficiaries and contributes to African discipleship efforts. Missions were conducted in dad's final years to live out the Great Commission as illustrated in Matthew 28: 16-20.

Thank you in advance for any consideration to sponsor, play or volunteer.
